

WARNING

Do not spray water into an electrical outlet. Severe electrical shock could result.

DO NOT DRINK FROM THIS HOSE:

- Water hoses come into contact with harmful chemicals sometimes used with nozzles, garden sprayers or chemicals used on lawns.
- The inside of the hose is dark, damp and warm, causing bacteria to form. It is recommended that you run water through the hose until the water is cool before use.
- This product contains a chemical known to the state of California to cause cancer.
- This product contains a chemical known to the state of California to cause birth defects or other reproductive harm.

CARE AND USE OF YOUR WATER HOSE

IMPORTANT: This hose is intended for normal use.

Do not leave hose under pressure when not in use.
Place washer firmly into coupling at faucet and to ensure a tight seal.

Drain your hose in the summer when you are not using it and keep it shaded as much as possible. Water left in a hose in the sun will expand, possibly damaging the hose. Protect your hose from harsh winter weather by storing indoors. Be sure to drain the hose completely before storage as water remaining in the hose can freeze, damaging the hose.

*When used for normal purposes, this product carries a 1 year warranty against defects in workmanship or materials.
Liability is limited solely to replacement of the hose if it is determined to contain defects in workmanship or materials.

IN NO EVENT SHALL JGB BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES

For replacement claims, the following items
must be available:

- The UPS bar code from the packaging.
- Receipt of purchase.
- The complete hose including both couplings.
